

## RABBI DONALD ROSSOFF TEMPLE BETH AM INTERIM RABBI

As we begin our year together as congregation and Interim Rabbi, this past month has certainly been a busy and adventurous time for Fran and me. Moving from the Chicago area which is really "home base" for us, to a part of the country in which we have never lived, has been a huge change for us. The change brought about by moving to a new part of the country and a new community can be exciting, scary, challenging, confusing, and invigorating, all at the same time. But slowly we have settled into our new home, learned some of the 99 ways one can take to get from here to there, and most importantly, begun to get to know the Temple and its members. Our experience at TBA has been warm and welcoming, a wonderful reflection, not only of the particular individuals we have met, but of the tone and culture of the congregation as a whole. You have much for which to be proud!

This is a time of change for us all, and change is rarely easy. Thinking more broadly about the temple and the year ahead, these first months of a year of transition can be challenging, confusing, and even scary. Much will stay the same, but even hearing old familiar words spoken by a different voice is a big change. But these months can be exciting and invigorating too! Times of transition bring opportunities for intentional change and growth. It is often a time when people who have not been as engaged can come forward with their ideas and express their willingness to become more involved. Increased engagement will be especially important as the congregation continues and expands the mission of choosing a new "settled" spiritual leader who will come after this transitional year. These months and this year is really a time to make your voice known so as to be part of the shaping of the temple's future.

As the ancient Rabbis said (and you will hear me quote), "*Kol hatchalot kashot* – all beginnings are difficult." While true, our beginning here at TBA has been made easier by the warm welcome we received from the temple's leadership, staff, and members, especially those whom we have met on Friday evenings. Whether at an Oneg or a "Pre-neg," Friday evenings have been an especially wonderful opportunity to meet temple members, hear your stories, and begin to understand the congregation. If you have not joined us for one of our Shabbat Evening services, I hope that you will take

# WORSHIP

## GREETINGS FROM THE VP RELIGION / WORSHIP COMMITTEE

The Worship Committee is gearing up for the High Holidays, beginning with Selichot Services on Saturday evening, September 24, at 8:00 PM. This service is held jointly with Temple Israel of Natick and Temple Beth Sholom of Framingham, but will occur this year at our synagogue. We are hosting this lovely service and we take this responsibility seriously. We cannot let our guests leave hungry! If you would like to bake or buy a pick-up-style dessert, please contact me at [carol@hanover.org](mailto:carol@hanover.org). Your help will be appreciated. The evening will begin with a movie, "FIRST PERSON SINGULAR - ELIE WIESEL" and refreshments, all beginning at 8:00 PM. The service will begin at 9:45 PM.

You will be receiving or perhaps have already received a letter describing our High Holiday services and schedules. We need you to help us by returning information relative to ticket needs and Yizkor listings to the temple office, **prior to deadlines**. Please note that we are now issuing tickets for all those age 18 and older. There is also a place on your ticket request form to indicate that you are willing to help usher. I hope that you will say yes, as it takes many people to make our holiday services flow smoothly and safely, both in the sanctuary and in the parking lot. Kathy Covarrubias is chairing the Usher Committee, so please feel free to contact her directly, if you wish.

Both private security and the Framingham Police will again be present, assisting our ushers if needed. We ask that you follow their instructions in every situation. In order to speed the secure entry process, if you are 18 or older, please have your ticket and photo identification in your hand as you approach the temple's front door.

Please try to park in the TBA parking lot. We want to be good neighbors and cause as little disruption to the neighborhood as possible.

**Selichot, Second Day Rosh Hashanah service, and the two Children's and Youth services**, are wonderful opportunities to invite family, friends and neighbors to join you. No tickets are needed for these services, but photo identification is required for all, age 18 and older.

## TBA PRESIDENT

— Howard E. Schwartz

Welcome back. I hope you all had a wonderful summer. For most people it is a time to relax but at Temple Beth Am we are very busy. First, Rabbi Rossoff joined us on July 1st and we are thrilled to have

him join our community and lead our congregation. In addition to his warmth and poignant sermons Rabbi Rossoff brought his flute playing to each Shabbat Evening service, adding a new dimension to this joyous day. He was accompanied by Sarah Rosenthal who brought not only her beautiful singing voice but her lovely smile. It gives me such pleasure seeing our young adults participating in our services and temple life. We thank Sarah for all her efforts this summer. As always, we had great participation by our various committee members who led services each week. With these additions throughout the summer we saw great attendance at all Shabbat evening services.

Throughout the summer I have been asked by many people about meeting Rabbi Rossoff. He is very open to meeting all of our congregants and has made himself very available to all. If you have not had the opportunity to meet Rabbi Rossoff I encourage you to do so. To assist you we have arranged for some Meet & Greets. Please make a point to attend, you will be glad you did.

I am also pleased to announce that we will have Dara Rosenblatt, a Cantorial Student, serving as our Cantorial Soloist throughout the year. Dara brings energy and enthusiasm. Like our committee that interviewed her, you will be captivated by her sweet voice but also her love of Judaism. She will first sing at the September 23rd Shabbat Evening Service which includes the Board Installation. I encourage you to attend this service to support Dara as well as our Temple Board that works so diligently for Temple Beth Am. I am also happy to inform you that Linda Myer will serve as the musical soloist for the upcoming High Holidays. Linda has vast experience singing at both Shabbat services and the High Holidays and is sure to enhance our High Holiday services to begin the Jewish New Year 5777.

As you can see the clergy, staff, board members and various committee members, have been working extremely hard over the summer in preparation for the fall. Although there have been many changes it is still the Temple Beth Am we all know and love. I look forward to seeing you often; whether it be for religious or social occasions.

B'Shalom,  
HOWARD E. SCHWARTZ

## EDUCATION NEWS — Rabbi Marcie Kamerow, Director of Education

### BACK TO SCHOOL

Here we are edging towards the beginning of the school year. The hallways are still quiet and the pace is still a bit slower. However, despite the quiet and slow pace we are hard at

work preparing for next year. There are class lists to be made, supplies to be ordered, cleaning to be done, curriculum to be reviewed, and of course we are also preparing for opening day as well new projects for the coming year.

This is the time of year where it is easier to focus on the “big picture” and think about what goals we want to achieve for the coming year and how do we want to achieve them. We are looking at ways to engage families in order to build community within our school. We are looking at ways to have our students feel more connected to each other. We are using the guiding principle of “Kol Yisrael Arevim Zeh Bazeh”—all of Israel is responsible for one another. In this mission, we hope that families and students not only find a connection to each other, but they also find a deep and meaningful connection to the Temple Beth Am community.

Many of these new additions will be presented on Opening Day, September 11 (mark your calendars)! We ask that parents accompany their students as we will be holding special programming for every member of the family. My goal on that day is to hear from you in a special meeting just for parents about what your hopes and dreams are for your child's Jewish education and Jewish identity. In addition, we want to hear your voice and ideas not just at this meeting but all year long! An easy way to do this is to join the school committee where you can directly make an impact and influence the decisions we make for the religious school!

Speaking of important dates, you will see a list below of upcoming events. We also will be sending out the school calendar so keep your eyes open for that!

Our goal is to maintain continuity and build on what has come before us as we look towards the future of Temple Beth Am. This Shabbat we will start reading the Book of Deuteronomy in the Torah. This book is mostly a reflection and repetition of what has come before it and a reminder to apply all of those lessons and laws towards the future as the Israelites stand at the edge of the Promised Land. We as a community stand at the edge of entering new and uncharted territory, and we stand here on the brink of a new school year full of excitement and possibilities. As I enter my second year as Director of Education, I will take many of the incredible lessons I have learned in the last year and apply them moving forward. Just as I watch our students and community grow, I too will continue to grow in this role. It is my hope that our school will do the same.

We are looking forward to welcoming everyone back for a new and exciting school year!

*Kol Tuv* (All the best),  
RABBI KAMEROW

### Co-Presidents' Message

We hope that you were able to attend the fabulous Honors Dinner at the Aegean Restaurant on June 7th . If you weren't there, this is what you missed.....

We read a responsive reading about enjoined and woven together into the tapestry of Sisterhood.  
– Lisa Movitz & Laurie Schneider

**Co-Presidents:** The tapestry of life enjoins the past, present and the future, Artfully flowing and forming its composition. Its tapestry rich and breathtaking, uniting one woman, one sister to another. To do together more than any one of us could accomplish alone.

**Sisters:** It is in our heart as a Sisterhood to:

- Honor our parents
- Nurture our families
- Serve our congregation
- Encourage our youth
- Visit the sick
- Comfort the bereaved
- Feed the hungry
- Help the needy
- Give eyes to the blind
- Hope to the downcast
- Welcome the stranger
- Become a friend
- Perform Mitzvot
- Light Shabbat Candles
- Be a light to the nations
- Practice our faith
- Share our faith
- Learn Torah and Live Torah

**Co-Presidents:** In uniting in this Tapestry of life and faith it is our hope and prayer that in all these endeavors, our efforts will portray women of compassion, creativity, who have strength of character, as well as being intuitive and sensitive to the need of each moment. Women with vision who comprehend that within, they possess the power to make change if need be.

**Sisters:** We are each unique, but not alone. We are each different, but not separate. We recognize in each other the spark of the divine We see in each other the essence of caring. We bring to each other respect and trust We ask from each other confidence and support. Like Moses with his brother Aaron, We look to each other To speak for us when our own voice may falter To uphold our arms when our own strength may fail us And like our sister Miriam, In hymns of praise As we move together Embracing and celebrating our moments of triumph.

**Co-Presidents:**† Today the voices of our ancestors continue to be heard through our hearts and minds, the tapestry of their faith, woven and enjoined to our faith, and tomorrow it will be heard through the hearts and minds of our daughters. The richness of our heritage being woven artfully, and portrayed exquisitely in acts of Mitzvot. We are the Women of Reform Judaism; we are the Sisterhood of Temple Beth Am and it is our hope and prayer that the Eternal be with us in all our endeavors. Amen.

**Sisters:** We are sisters by choice. We have chosen to be there for each other, and at the end of our days the friendships that we have made will be as important as the relationships that we are born into. Sisterhood gives us an amazing amount of strength to face the things that come before us that are seemingly not faceable at the time. Often we think of our ancestors who are linking us to the past, but it is our sisters who are linking us to the future. We get to our future together by joining our hands together in sisterhood.

**Co-Presidents:** At Temple Beth Am, you have benefited from devoted and faithful Sisterhood leaders over the years. Women whose vision, courage, commitment and faith, continue to inspire us. Their acts of leadership have enriched each of our lives and continued our Sisterhood tapestry of life.

## High Holiday Food Drive

### SEPTEMBER 2-17 TIKKUN OLAM

Each year, during the High Holidays, Sisterhood promotes a food drive, helping those less fortunate. Last year we were able to provide 125 bags of food to A Place to Turn, a food pantry serving MetroWest. This generous giving makes a huge impact in the lives of the families they serve.

We all have extra boxes of pasta, paper towels, toilet paper, tuna fish, etc. that we can spare.

Our Tikkun Olam goal is to provide over 200 bags of food this year. Please help us reach our goal and help families in need.

Take a grocery bag on Rosh Hashanah to the temple filled with non-perishable foods (please make sure they are not expired) any time before Yom Kippur.

## Why do you need Sisterhood of TBA

Sisterhood of Temple Beth Am is the collective identity of the women of our congregation. It provides us with a strong presence and voice. Sisterhood provides an outlet for the creative energy, talent and leadership potential of the individual Jewish woman. It also gives our members a worldwide identity and connection through our affiliation with Women of Reform Judaism, an agency for more than 500 Sisterhoods of Reform congregations, with over 75,000 members throughout the world.

## Why does Sisterhood of TBA need you?

Sisterhood needs the support of all women in our congregation. No organization can exist without members or finances. With your participation, we all benefit from your friendship, energy and interests. From your membership dues comes the funds to implement our programs, contribute to our temple and support our Tikkun Olam and Tzedakah efforts in the Jewish communities. Your unique educational, religious & life experiences enrich the collective membership.

## Where do your Sisterhood dues go?

Your Sisterhood dues payment includes membership in Women of Reform Judaism (WRJ) serving Jewish and humanitarian causes throughout the world.

- \$18 per member for WRJ National dues
- \$2 per member for WRJ District dues
- \$5 per person is pledged to Youth, Education and Special Projects (WRJ Y.E.S. Fund)

• \$3 other Temple Beth Am Donations  
The remainder of our dues goes toward the operating budget of the Sisterhood of Temple Beth Am and the programs and projects supported Sisterhood of Temple Beth Am.

## Three Reasons to send in your Membership Form

- TIKKUN OLAM (Repairing the World)
  - BRIT OLAM (Sustaining Jewish continuity)
  - KEHILLAH (Building Community)
- We cannot do these things without YOU! So please complete your membership form TODAY. If you need a form, email [sisterhoodtba300@gmail.com](mailto:sisterhoodtba300@gmail.com) or contact Stephanie Levine, Beth Adler or Laurie Schneider and they will supply one.
- Tell a friend and make your Sisterhood experience even more rewarding.

## LEVINE LIBRARY NEWS

### WELCOME BACK to a New Year of enrichment!

Readers of all ages will delight in the children's folk-tale "Something From Nothing" by Phoebe Gilman, a charming tale illustrating that much can be accomplished by using one's imagination, creativity and basic materials.

This past year, library committee volunteers, followed this example, creating colorful bookmarks with inspirational sayings, for the Framingham Public Libraries. These "Handmade With Love" bookmarks are given out to children applying for their first library card.

A huge thank you to the dedicated volunteers for the loving work of their hands.

Please stop by to browse and checkout books, DVDs, and CDs from our extensive collection of Judaic materials.
