Lew Finfer will be our speaker

Redlining, abandonment, disinvestment and blockbusting perpetrated by banks and realtors led to the exodus of Jews. This was a tragedy for the people and their synagogues, and for the mostly African-Americans who bought their homes, but were subsequently victimized by HUD/FHA and the banks in the process. Lew explores what happened, the impact on Jews and African-Americans, and lessons of this that could apply to today.

Due to the ongoing Covid pandemic we are unable to hold our traditional breakfast buffet. Please enjoy your bagel and coffee safely at home and join us for this remote program.
